I understand that attending the Junior High Summer Trip to the Quest Conference is an incredible opportunity to live out my life as a Christian. There are many important components of this trip, many of which will happen at Quest. However, many expected, integral components of this trip occur before we leave. I will commit myself to this trip, participating in expected meetings, gatherings, and fellowship opportunities, so as to maximize the value and impact of this trip. Neglecting the expectations will void my participation in the trip. By signing below I indicate that I am aware of these expectations and will, to the best of my ability, honor them:

- Attending JHF a minimum of 4 times this year.
- Attending and participating in 1 JHF Quest fellowship gathering before our trip in July 2019.
- AND, if I am going to miss ANY of the mandatory dates for ANY reason, I will have my absence excused by my youth pastor and I will make up the missing date by volunteering 2 hours of my time at any number of church related service opportunities.
