I understand that the SHF Summer Mission Trip is an incredible opportunity to live out servant discipleship. There are many important components of this trip, many of which will happen in Puerto Rico. However, many expected, integral components of this trip occur before we leave. I will commit myself to this trip, participating in expected meetings, gatherings, fellowship opportunities, and fundraising so as to maximize the value and impact of this trip. Neglecting the expectations will void my participation in the trip. By signing below I indicate that I am aware of these expectations and will, to the best of my ability, honor them:

- Attending SHF a minimum of 4 times this year.
- Participating in fundraising events for the mission trip. (Fundraising will occur during the Fall, Winter, & Spring)
- Attending and participating in 1-2 mission trip fellowship gatherings before the mission trip.
- AND, if I am going to miss ANY of the mandatory dates for ANY reason, I will have my absence excused by my youth pastor and I will make up the missing date by volunteering 2 hours of my time at any number of church related service opportunities.
