

Summer BOOK READ

brought to you by C.A.R.E. @ First Pres

Join us to read "The Distance Between Us," a strikingly honest memoir by Reyna Grande that shines a light on the experiences, fears and hopes of those who choose to make the harrowing journey to immigrate to the U.S.

First Pres friends aged 14 and up are invited to read this book on your own and make plans to join a discussion. Members are invited to choose from the original book, audio book, or the adaptation for young readers, designed to be more accessible.

Discussions will be moderated by CARE team members.

If you have questions, reach out to Brian Smith (bksmith206@comcast.net).
